### DEPARTMENT OF AGRICULTURE

JON S. CORZINE  
Governor

ALFRED MURRAY  
Acting Secretary of Agriculture

Dear New Jersey Sire Stakes Participants:

The New Jersey Sire Stakes is entering its 37th Anniversary in 2009 and your participation as breeders, owners, trainers and drivers remains key to its continued success.

The New Jersey Department of Agriculture remains committed to further developing this program so it continues to maintain its impressive standing in North America and to ensure a thriving standardbred racing industry in the Garden State. In response to requests from horsemen, we have altered the Sires Stakes' schedule this year to increase purses for the finals at both The Meadowlands and Freehold Raceway and commence the two year-old season a few weeks later than normal.

This useful guide provides information on race dates for the upcoming racing season, sustaining payment due dates and a list of important phone numbers.

As always, the Sire Stakes staff is available to answer your questions Monday through Friday from 8:30 a.m. to 4:30 p.m.

Thank you for your continued interest in the New Jersey Sire Stakes program, and best of luck to you and your horses in 2009!

Alfred W. Murray  
Acting Secretary of Agriculture

## NEW JERSEY SIRE STAKES CONDITIONS

This booklet does not have all of the NJSS Rules and Conditions. It contains the most frequently asked questions. If you have any other questions, please consult the United States Trotting Association Stakes Guide, the N.J. Stallion Register or the Sire Stakes office for a complete copy of the 2009 Conditions.

### YEARLING NOMINATIONS

For horses bred within New Jersey a single \$50 fee nominates a yearling to the NJSS Program. This fee is \$250 for horses bred outside New Jersey. Thereafter each division has separate payment dates and fees. Yearling nominations are due May 15th and the horse MUST be registered with the U.S.T.A. or any registry recognized by the U.S.T.A. The Lou Babic Pace yearling nominations are also due May 15th and are \$25 for colts and \$15 for the filly division. A copy of the U.S.T.A. or other acceptable registration must accompany the nomination. If a copy is not included there is an additional \$25 fee and the yearling must still be registered with the U.S.T.A. or a recognized registry by May 15th.

### SUPPLEMENTAL YEARLING NOMINATIONS

Yearlings not nominated by May 15th can be supplemented to the N.J. Sire Stakes by paying the following supplemental fee: (original nominating fee and any sustaining payments due must also be paid, see payment schedules for more information)
